In the interest of continuous improvement, and to meet the changing market conditions, the builder reserves the right to modify the plans, specifications and products without notice or obligation. Square footage shown is an estimate and may vary. Depictions of homes and features are artist and designer conceptions. Landscape, interior surfaces and finishes may be decorator suggestions that are not included in purchase price. This ad contains general information about the community and is not an offer for the purchase of a new home.

The Morrison is a 2-story home with 2,801 sq. ft., 4 bedrooms & 3.5 baths. The entry welcomes visitors into the foyer and home office with powder room. The great room and dining room are both adjacent to the gourmet kitchen with views to the outside covered lanai. Upstairs, a large master suite with an elegant ensuite bath boasts a large walk-in closet. A centrally located bonus loft gives way to three secondary bedrooms, two full baths, and a large laundry room. An optional fifth bedroom and full bath are available i.l.o. the home office and powder room on the first floor. Finally, a tandem garage and optional pool bath make this an ideal family home.
