In the interest of continuous improvement, and to meet the changing market conditions, the builder reserves the right to modify the plans, specifications and products without notice or obligation. Square footage shown is an estimate and may vary. Depictions of homes and features are artist and designer conceptions. Landscape, interior surfaces and finishes may be decorator suggestions that are not included in purchase price. This ad contains general information about the community and is not an offer for the purchase of a new home.

Rustic Coastal

Rustic Revival

The Sapphire is a 1-story home with 3,100 sq. ft., 4 bedrooms & 4 baths. The foyer welcomes guests into the gathering room with views directly through to the covered lanai and back yard. The gourmet kitchen overlooks the large dining room and gathering room. A comfort zone and pool bath are conveniently located near the covered lanai, while the private primary suite with its elegant ensuite bath has a large walk-in closet and is in a secluded wing of the home. All three secondary bedrooms have their own bath in separate areas of the home. A versatile flex room can be converted into a 5th bedroom or home office. Finally, this home has a pocket office that can be used as an exercise room.

BUILDING OF OVER 65 YEARS OF FAMILY TRADITION
