In the interest of continuous improvement, and to meet the changing market conditions, the builder reserves the right to modify the plans, specifications and products without notice or obligation. Square footage shown is an estimate and may vary. Depictions of homes and features are artist and designer conceptions. Landscape, interior surfaces and finishes may be decorator suggestions that are not included in purchase price. This ad contains general information about the community and is not an offer for the purchase of a new home.

The Jasper is a 1-story home with 3,078 sq. ft., 4 bedrooms & 3 baths. High ceilings in the foyer and home office give way to a vaulted gathering room with views directly through to the covered lanai and back yard. The gourmet kitchen has a hidden pantry and overlooks the dining room and gathering room. The private master suite with its elegant ensuite bath has a large walk-in closet and is in a separate wing of the home. Three secondary bedrooms and two baths surround the comfort zone. Finally, a flex room with direct access to the covered lanai can be converted into a guest suite with a pool bath or a unique club room complete with a wrap around wetbar creating the perfect home for entertaining.

BUILDING OF OVER 65 YEARS OF FAMILY TRADITION
